

(b) In international applications designating the United States the description must contain upon filing an indication of the best mode contemplated by the inventor for carrying out the claimed invention.

[43 FR 20466, May 11, 1978, as amended at 63 FR 29618, June 1, 1998]

§ 1.436 The claims.

The requirements as to the content and format of claims are set forth in PCT Art. 6 and PCT Rules 6, 9, 10 and 11 and shall be adhered to. The number of the claims shall be reasonable, considering the nature of the invention claimed.

§ 1.437 The drawings.

(a) Subject to paragraph (b) of this section, when drawings are necessary for the understanding of the invention, or are mentioned in the description, they must be part of an international application as originally filed in the United States Receiving Office in order to maintain the international filing date during the national stage (PCT Art. 7).

(b) Drawings missing from the application upon filing will be accepted if such drawings are received within 30 days of the date of first receipt of the incomplete papers. If the missing drawings are received within the 30-day period, the international filing date shall be the date on which such drawings are received. If such drawings are not timely received, all references to drawings in the international application shall be considered non-existent (PCT Art. 14(2), Administrative Instruction 310).

(c) The physical requirements for drawings are set forth in PCT Rule 11 and shall be adhered to.

§ 1.438 The abstract.

(a) Requirements as to the content and form of the abstract are set forth in PCT Rule 8, and shall be adhered to.

(b) Lack of an abstract upon filing of an international application will not affect the granting of a filing date. However, failure to furnish an abstract within one month from the date of the notification by the Receiving Office will result in the international application being declared withdrawn.

FEES

§ 1.445 International application filing, processing and search fees.

(a) The following fees and charges for international applications are established by the Director under the authority of 35 U.S.C. 376:

(1) A transmittal fee (see 35 U.S.C. 361(d) and PCT Rule 14)—\$300.00

(2) A search fee (see 35 U.S.C. 361(d) and PCT Rule 16):

(i) If a corresponding prior United States national application under 35 U.S.C. 111(a) has been filed on or after December 8, 2004, the basic filing fee under § 1.16(a), search fee under § 1.16(k), and examination fee under § 1.16(o) have been paid therein, and the corresponding prior United States national application is identified by application number, if known, or if the application number is not known by the filing date, title, and name of applicant (and preferably the application docket number), in the international application or accompanying papers at the time of filing the international application—\$300.00.

(ii) If a corresponding prior United States national application under 35 U.S.C. 111(a) has been filed before December 8, 2004, the basic filing fee under § 1.16 has been paid therein, and the corresponding prior United States national application is identified by application number, if known, or if the application number is not known by the filing date, title, and name of applicant (and preferably the application docket number), in the international application or accompanying papers at the time of filing the international application—\$300.00.

(iii) For all situations not provided for in paragraphs (a)(2)(i) or (a)(2)(ii) of this section—\$1000.00.

(3) A supplemental search fee when required, per additional invention—\$1,000.00

(4) A fee equivalent to the transmittal fee in paragraph (a)(1) of this section for transmittal of an international application to the International Bureau for processing in its capacity as a Receiving Office (PCT Rule 19.4).
